

GCSE Sport

Caldy Girls Rugby

Girls' rugby is an excellent choice for GCSE Sport.

We can help you with your studies by providing

- An opportunity to play an approved team sport
- Feedback on your development as a player
- Opportunities to play matches and create video contact for use as evidence
- Access to 'Vevo' which allows us to video a complete match and break it down into individual sections for analysis
- Testimonials from coaches about your progression and development as a player
- For those with ambitions to play at a high level, we have girls playing at County level and at Sale Sharks / England RFU Centre of Excellence.
